

Nobriga's Miniature American Shepherds

Purchase Application

Thank you for your interest in Nobriga's Miniature American Shepherds!

Miniature American Shepherds are extremely loving, intelligent, versatile and loyal. They excel in agility, fly ball, Frisbee, most any activity-involving interaction with their owners. Their innate desire is to be with you, to protect you, your family, and your home, to please you and be your best friend. We look for homes where our dogs will be part of the family. We do not sell to owners where our dogs will be yard dogs allowed to roam free. Do not betray this love by chaining them. Miniature American Shepherds will become aggressive if mistreated in ANY way. They cannot protect while on a chain, which results in frustration and aggression. NEVER CHAIN AN AMERICAN SHEPHERD!

If you are interested in purchasing one of our dogs, please complete the following application. Keep in mind, you will be entering into a 10-12+ year relationship with your Miniature American Shepherd.
